

Minutes from Class April 12, 2004

- One robot is back
 - Contains some boards, battery box and areas for other boards
 - Will be getting a second one by Wednesday
- Kristen brought up a point about making sure the sensor board does not get ruined.
 - Think about if there is something needed here
- Manon needs all document information that she sent out about last Wednesday by this Wednesday, April 14, 2004
