

Minutes from Class March 1, 2004

- Manon informed everyone that we need to start working on test plans.
 - They need to be on the **M: drive by Wednesday, March 3, 2004, at 5pm** so they can be combined into one document
- Professor Gum can be available the next two Fridays if needed. Please let him know ahead of time if you plan on meeting with him otherwise he will not be here.
- The website has been set up – the email address is ww2.lafayette.edu/~ece49204
- The packet for communication will follow the format below

AA	Nod	Robot Source	Robot Destination	Position Report	Payload	AA
1	1	1	1	10	35	1
