

Minutes from Class March 29, 2004

- Professor Gum informed us that this Wednesday, Professor Pfaffman, will be bringing his VAST into see a demo from 2-3pm. Anyone that does not have class is asked to be there.
- Professor Gum informed us that he will try to have our final presentation during our scheduled final time. Plan on the presentation being between 2 to 3 hours.
- Manon will be updating the schedule tomorrow, Tuesday March 30 as well as putting a binder together for the layout schematics.
